

# Parents' Guide to Seesaw

## Logging In - [Tutorial](#)

### Students.

- **Student Portal:** Students can access Seesaw by clicking on the Seesaw Class Icon.
- **Sign in using Google**
  - Enter the students email address and password (@walnutcreeksd.org)
- **Alternatively, use the QR Code/Home Learning Code** - Teachers may email student remote Home Learning Codes to families. Type in the 12 digit code or scan the QR code with your student's device.

### [Remote Learning with Seesaw](#)

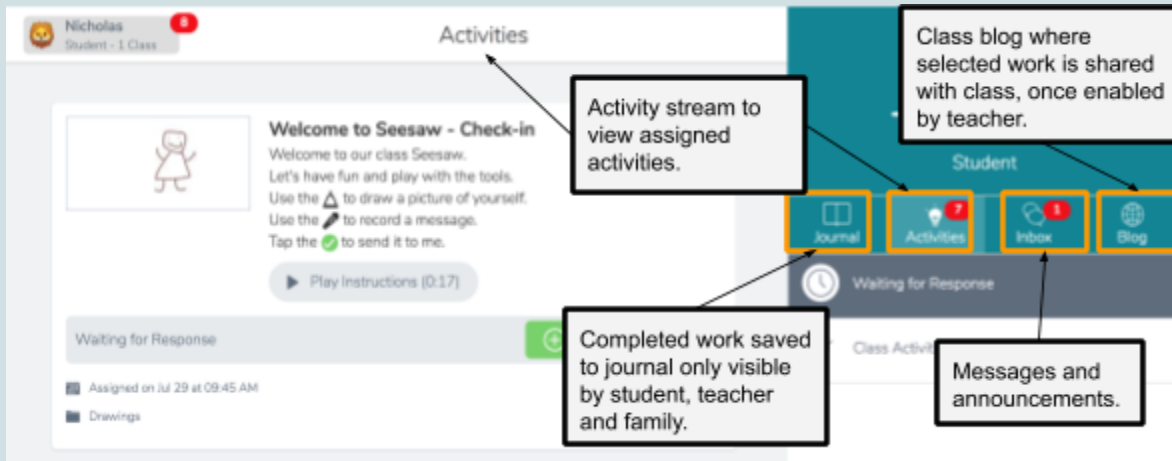

### Families

- Teachers will send an invite to all parents to join their classroom as a family member.
- Family members will click on the link to set up their account.
- Family members can use the [Seesaw website](#) or [Seesaw Family App](#) on iOS and Android devices to log in and view their child's journal of work.

# Viewing Work

## Student View

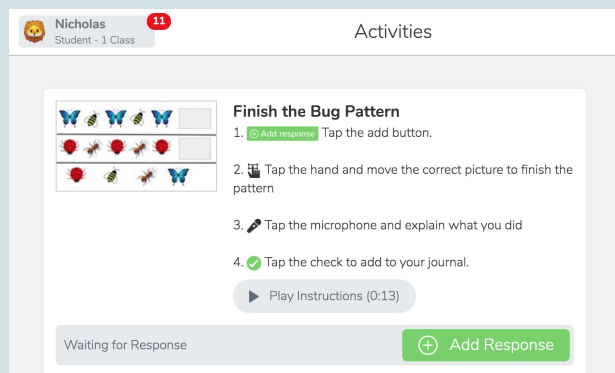

## Family View

Parents/guardians use the Family App to view their child's work and announcements sent by the teacher. Family accounts cannot respond to assigned activities or post directly to a student journal.

## Submitting Work

- Students click on the +Add Response button to respond to assigned activities.
- Students then complete the activity per teacher directions either on-line or offline.

- Once completed, students click the green check mark to submit their work to their teacher.

## Journal

- Seesaw automatically creates and stores all completed work in your student journal.

## Blog

- The Blog feature is used to showcase student work and class projects for classmates and families to see.

## Key Tasks

- [Student - Create a post](#)
