

Elementary Student Enrichment Opportunities

On Campus Childcare Partners

Walnut Creek School District partners with privately owned and operated childcares at each school who offer before school, after school, and non-school day childcare on the school site. Please visit your school's childcare center to learn more about the specific program offered.

Extended Learning Opportunity Program

Walnut Creek School District has partnered with vendors to offer after school enrichment to students in TK to Grade 5. The program runs from dismissal time until 4:45 each school day as well as 9 hours on 30 non-school days. Some families may qualify for free tuition based on income. Please visit our ELOP website or your school's provider to learn more about the program.

PTA/PTO After School Enrichment

Your school's PTA/PTO coordinates high interest, short term enrichment opportunities in specific areas. Courses run anywhere from 6 to 12 weeks on specific days. Please visit your school's PTA/PTO website for details.
