Annual Parent Notices 2023-2024

Dear Parents and Guardians:

We are required to provide annual notifications to parents and/or guardians of certain rights and obligations established by Federal and State laws. We are required by law to request your acknowledgement of receipt of these annual notifications.

You will be required to signify agreement on E6163.4 Student Use of Technology and to acknowledge receipt of all other notices provided. This acknowledgement does not signify your agreement with items provided, just receipt of notifications.
