Adventure Kids Summer Camps

We offer the best summer adventure for kids ages 7-14.

Our senior staff is always off duty education professionals or others with a high degree of experience working and directing groups of school age children.

Our adventures, which include Six Flags, Water Parks, Archery, Movies, Go Karts, Laser Tag, Mini Golf, Bowling, Rock Climbing and much more.

No matter the age or interest there is a summer of fun and adventure right here just for you.

SAFETY is always our utmost priority.

Adventure Kids is an exclusively mobile camp. We do not have a single point "base camp", rather we schedule pick ups either from the camper's home or from central points in the Central Contra Costa County area and North Oakland.
